HISTORY

financing dreams for 10 years

Here at Finance Ezi, we believe that experience is wealth.

With over 10 years of experience in the finance industry, we have successfully grown and secured an expansive network of business partners. These include a wide variety of vehicle, marine, heavy equipment, aviation and financial services businesses.

Reflecting on the previous decade, we've realised that there is nothing more rewarding than providing our business partners with effective financing to achieve their dreams. We are looking forward to a bright future, where speedy approvals at competitive rates remain our speciality.

With the help of Finance Ezi, no dream is too big.

OUR PROMISE

sell more and earn extra

No matter what service you require, the Finance Ezi team understands that most people don't have the time or resources to effectively research the best finance loans that are available.

Too often, it can be a long and complicated process that can even result in loss of business - and that's exactly why we make it our priority to deliver results fast.

With an array of reliable lenders at our disposal, we will source the best solution to help you support your customer's goals. You can be confident that you and your customers will receive a speedy approval at the most competitive rate.

an innovative environment to grow your success

Our strength lies in our innovation. Within a competitive and fast-paced industry, Finance Ezi understands that success is achieved through a culmination of unique and inventive approaches.

First and foremost, we listen. Listening and ultimately earning your loyalty is the base of our internal business model. We've built an environment on this foundation that is innovative in both its operation and internal architecture, making sure that our team members are always easily accessible for your business.

Continual implementation of new technologies into our operation system has opened up the consumption of emerging financial products. Applying campaigns to cash-in on consumer behaviours, and taking a holistic view of their needs has delivered a strong relationship-driven engagement with agreeable financial reconciliation.

Finance Ezi's systematic approach to innovation has been extended to using a sponsorship based marketing program. Within this profitable market, our Finance Ezi Racing car team is indicative of this advancement and has assisted in the substantial growth and partnerships with Finance Ezi.

“

Learning and innovation go hand in hand. The arrogance of success is to think that what you did yesterday will be sufficient for tomorrow.

let your financial health shine through

Entering into a conversation with a Finance Ezi representative will turn your customers' requirements into effective communication.

The personalised and tailored approach warrants each team member to experience personal growth alongside your business growth; this process automatically enables your customer to become knowledgeable about the financial services aided through Finance Ezi. Your financial health will be visible for the world to see.

We will never make the decisions for your customers; as a financial service provider, Finance Ezi give you the confidence to clearly communicate key product information with your customers. Quite simply, we present information to your business for you and your customers to make your own educated decisions.

You can trust that you and your customers are always in safe hands with Finance Ezi.

Financial Literacy *noun*

1. The possession of knowledge and understanding of financial matters.
2. The absence of financial literacy can lead to making poor financial decisions that can have adverse effects on the financial health of an individual.

fast finance for competitive rates

Finance Ezi are familiar with the market, which makes the process of applying for finance simple and fast.

Understanding the current market means loan recommendations are from a panel of lenders that always provide simple, uncomplicated and competitively priced products.

Approved borrowers can gain access to fast finance at a much lower cost than through most traditional sources. Irrelevant of what your customers need to finance, selecting an incorrect source can significantly impact the effectiveness of the finance. You can always be confident that your customers will receive the best finance deal with Finance Ezi.
